An Invitation from your High School Friends...

In S2S you get to have fun and learn about high school so you’re extra prepared. Everyone at S2S will be there to support you along the way. We do fun games and activities too. S2S will be your support system and all you have to do is sign up.

Join Sister-to-Sister, a program where you can meet with girls your age along with trained high school facilitators to talk about anything. We are trustworthy & great people.

S2S is a “no judge” zone where we love to listen to one another and talk.

Chill. Everything will be alright. If only you knew about S2S, you’d be a lot less stressed. You should ask your mom to sign you up for Sister-to-Sister. Finally, you can get some advice!

S2S will make you feel great & help you get through everything, I promise. You will find trusted friends to talk to and get advice from.

XOXO See you at S2S!

From the first meeting of Sister-to-Sister, I felt welcome and like I could actually make friends.

Don’t be afraid to be who you are, the right type of people will come along and love you for who you are. I found those people at S2S!

• S2S is an amazing place that makes middle school so much better. I’m so glad I went to S2S when I was a middle school. S2S helped me to accept me for me.
